Imagen Pro RadiantColor SmartPower asimpleswitch.com

Highlights

imagen Pro for vibrant colors
The unique Philips imagen enhancement technology automatically analyzes your photos to correct color and adjust for optimal contrast. imagen Pro is a more advanced image enhancement which includes the 3 essential elements from imagen to have more color accuracy, color depth and smart contrast. On top of these, imagen Pro offers enhanced skin color, sharper images and flicker-free photo viewing which is very important for still pictures.

Battery Docking Station
This battery charging dock doubles as a stand as well as a battery charging station. Once fully charged, the frame's built-in battery is good for 2 hours of cordless sharing of photos.

Touch border control
The touch sensitive controls are instantly illuminated during operations, making it easy and enjoyable to scroll through your photos smoothly.

Quick easy menu
Philips unique quick easy menu design make you the best experience on browsing, seaching, and organizing

Family event reminder
Family event reminder displays selected photos at specific times to remind you of upcoming anniversaries, birthdays and other important occasions of your families.

View photos with collages
choose to view your photos with 10 collage styles!

A choice of 15 animated clocks
Keep time your way, with a choice of 15 fun animated clocks.

Auto on/off display
A timer turns PhotoFrame on and off at the hours you select, reducing energy consumption for the sake of our environment saving up to one third of your PhotoFrame energy costs.
